SECRETARY OF THE NAVY

OFFICE OF PUBLIC RELATIONS

WASHINGTON

OOR-8 (4750)

SEP 21 1942

Dear Mr. Weisberg:

Enclosed are copies of the only Navy releases on the Makin Island raids.

There was, of course, much more written about these raids than is contained in the releases. I think you can find some excellent stories in the newspaper files covering the latter part of August.

Thank you for sending us the second issue of "Picture Scoop."

Sincerely yours,

Victor F. Blakeslee
